AIMS

Language skills : writing, written and oral comprehension, speaking

The course aims at giving you all the language skills you need to feel at ease in your daily life then at enabling you to express yourself in such a way that writing or talking to a native speaker about a wide range of subjects both general and technical in details is natural for you.

You will observe how the language works, you will practice a wide range of various activities, you will actively take part in projects that will lead you to be more autonomous and that will greatly help you in your studies, in your student and social life.

CONTENT

At the end of the course, you will be able to:

- .tell about an event, a short news item, a personal experience, a story
- .compare
- .express feelings such as wills, interdictions, wishes, doubts, necessities, possibilities, advices)
- .talk about the future
- .make assumptions
- .convince
- .use the most common structures of the scientific language
- .understand and write long and complex documents of all kinds such as administrative or professional mails and essays
- .tell about real or imaginary events and experiences in details
- .understand and particpate in an animated conversation in between natives, debate
- .respect the speech codes when conversing or debating
- .make a detailed oral presentation about a news item, or a field of study, a personal project
- .use all what is culturaly implicit both orally and when writing
- .use an appropriate body language

CULTURAL KNOWLEDGE - At the end of the course, you will be able to:
.find your way around Lyon and around the campus
